## Hotel Cleaning Services Wins Contract with Montage Deer Valley

Park City, Utah, (December 2010) – Hotel Cleaning Services, a leader in the hotel cleaning and facility services industry, was recently awarded one of the most beautiful and prestigious mountain ski resorts anywhere in the world. This incredible property has 154 deluxe guest rooms and over 66 suites. The location is superb as it is located only 5 minutes from Park City's celebrated Main Street and only 40 minutes from Salt Lake City International Airport. Resort guests will enjoy a coveted location atop Empire Pass at 9100 feet elevation, and unrivaled ski-in/ski-out access to one of North America's top rated ski areas. The resort also boasts a 35,000 square spa, indoor roman pool and bowling alley. Year round activities at the resort also include hiking, biking, golf and fly-fishing. The hotel management team declares that The Montage Deer Valley will not only be one of the best mountain resorts in the United States but it will be one of the best in the world.

The Montage Deer Valley selected Hotel Cleaning Services over two other commercial cleaning companies based on HCS's reputation in the industry and the fact that we are already servicing another luxury resort in the Park City area. On November 26, 2010 Hotel Cleaning Services, Inc.'s housekeeping team began cleaning the hotel. The grand opening date of the property was December 9, 2010. The HCS team has garnered a host of favorable comments and positive feedback not only on the quality of our contract labor staff but also on the cleaning expertise of the overnight team.
